Diesel Equipment Technology

Medical Policy Statement of Agreement

I am aware that during the work based learning experience in which I am participating under the arrangements of Bellingham Technical College certain dangers may occur, including, **but not limited to**, the following:

Abrasions, cuts, back strain, exposure to petroleum products, solvents and other dangers that are common to the Diesel Equipment Technology field.

In consideration of and as part payment for the right to participate in this work based learning experience and other services of Bellingham Technical College, I have and do hereby assume all the risks involved and will hold Bellingham Technical College, it's employees, agents, and assigns, harmless from any and all liability actions, causes of actions, debts, claims, and demands of every kind and nature whatsoever that may arise from or in connection with participation in any activities arranged for me by Bellingham Technical College. The terms thereof shall serve as a release and assumption of risk for their heirs, executors, administrators, and members of my family, including minors.

By my signature on this document, I acknowledge that I have been informed and further that I will be **required** to have personal health insurance prior to enrolling in this program, enroll in student health insurance or be covered by Worker's Compensation insurance at your place of employment. I understand that I do not qualify for Worker's Compensation if my work based learning experience is on a volunteer basis. I have indicated my coverage below.
